Exemplar 2. T.p. of a book containing a 100 or so poems

# *The Survivor and Others*

By

H. P. LOVECRAFT

and

AUGUST DERLETH

---

Arkham House: Publishers 1957 Sauk City, Wisconsin

*Among the papers of the late Howard Phillips Lovecraft were various notes and/or outlines for stories which he did not live to write. Of these, the most complete was the title story of this collection. These scattered notes were put together by August Derleth, whose finished stories grown from Lovecraft's suggested plots, are offered here as a final collaboration, post-mortem.*
